DYERSBURGIANS

Fast Semipro Organization Evens Series by Taking Measure of Tribe, 6 to 3. Fowlkes Loses to Cooper.

DYERSBURG, Tenn., Sept. 22.—
Hy Fowikes, native Dyersburgian, riad to defeat his old mates here yesterday afternoon, but found the going too tough and was trimmed by the declaive score of 6 to 3. Hy was hurling the baseball for the Memphis Southern leaguers, where he is counted as one of the best riflemen in the league, but he was easy for the Dyersburg club to hit yesterday.

Opposing Hy was Cooper, who held the hard-hitting Chicks all the way by hurling a fine game.

START IN THIRD.

Neither team scored until the third when the Chicks pushed a tally over. Bischoff singled and Dowle bunted him along to second. Collenberger's single scored Bischoff.

The Dyersburg boys came back strong in their half or the third and won the ball game by scoring four runs. Bougeno singled to center and Hurt walked. Prothro laid down a bunt and beat it out, filling the satchels with none out. Farmer grounded to Collenberger, who made a wild throw to first, scoring Bougeno and Hurt and giving Farmer a life. Block grounded out, Collenberger to McLarry. Griffin hit to McLarry, who made an effort to nail Prothro at the plate, but his throw was too late and Prothro scored. Mercer then singled to center and Farmer counted with what proved the winning run.

In the sixth Dyersburg added another pair. With two gone Block tripled to center and Griffin walked. Mercer followed with a long single that sent Block and Griffin over.

In the ninth the Chicks got their last two runs. Collenberger opened with a one-base grash to center and Tuero batted for Fowlkes, hitting a grounder to Hurt, who made a wild throw to first. Frierson singled and the bags were loaded with none out. Lewis hit into a double play, Frierson being forced at second and Lewis going out at third, with Collenberger scoring and Tuero reaching third. Fowlkes hit to Hurt, who erred, and Tuero came over. Carroll came up and was tossed out by Griffin for the find out.

TO PLAY FIVE GAMES.

Due to the fact that immense crowds have been witnessing the games, arrangements have been made whereby the two clubs will play on Thursday and Friday, making it a five-game series instead of three.

The third of the series will be played Wednesday.

Dr. Bunberry, Veteran Player, to Serve-Regular Monthly Meeting of Association Is Well Attended.

BY BOB WHITE.

The regular monthly meeting of the Memphis Associated Amateurs was held Tuesday night with Vice-President Eaton in the chair, in the absence of President Keefe. Dr. Bunberry was appointed chairman of the soccer division and reports that he will hold a meeting within the next ten days to afrange all details for opening of the season in October. It is certain that there will be two separate leagues of four clubs, and any managers who are contemplating teams should arrange to secure players now and attend the meeting, which will be announced later.

Baseball Director Haack reports that the Memphis Associated Amateurs realized for their end of the Memphis-Polarine game last Sunday the sum of \$427:99, less \$15 expense, or \$412.99. Haack proved his loyalty to the Memphis Associated Amateurs in arranging this Associated Amateurs in arranging this game for the benefit of the Memphis Associated Amateurs instead of arranging the game as a promoter, take a cut at the receipts and turning the remainder over to the participating players. Haack sacrificed at least \$200 in this instance, which goes to show his true loyalty to the amateur association. Haack has made the most successful baseball director the M. A. A. have ever had, and it is practically certain that he will be the unanimous choice for next year's baseball director, if he cares to accept the duties. Baseball Director Haack reports that

Praise for the Standard Oil team was heard on all sides at the Memphis Associated Amateurs' meeting Tuesday night for the wonderful assistance they gave the amateur association which resulted in the M. No player or individual connected with the Standard Oil team received a single penhy for last Sunday's efforts, although the Standard Oil team could have arranged an out-of-town game last Sunday with a \$200 guarantee.

Heavy Ticket Sale Reported and Big Crowd Certain to Sit in at Feast.

Heavy ticket sales continue to be reported for the Memphis Associated Amateurs' sixth annual banquet to he held at the Chamber of Commerce Thursday night, Sept. 23, starting at 8 o'clock. The Ploughs, champions of Memphis for the 1920 season, have their tickets, which have been bought by Backer Plough, and are expected at the banquet in a body to receive their emblems and trophies for winning the championship. Cups will be presented to all other clubs that won pennants, and arrangements are being made to take care of at least 300.

SHAWKEY'S REAL JINX TO INDIANS

If the Yankees cop the pennant this year—nosing out the Indians and White Sex to turn the trick—the New York fans can thank Bob Shawkey for playing a big part in the feat. Shawkey has been the man who proved the toughest bird on the Yank mound staff for the Indians to beat. He has turned back the Tribe six out of seven games. These six defeats came at times when the Tribe was set to increase their hold on the pennant.

Treasurer Hunt read his report at Tuesday pight's meeting of the amateurs and showed a good balance on the right-hand side for the first time since the birth of the M. A. A. Looks good to see a balance at the close of a season after all these troublesome years, but when Hunt smiles and says it looks good it must be good. He watches M. A. The stage is set for the departure of the Plough team for St. Louis Friday of this week. The Ploughs are in superb condition, not a man being on the alling list. Manager Claypool has lickets for the entire team to the baseball banquet Thursday night, and any Plough players who have not received the first tickets should apply at the door of the banquet hall. The Nibs have been given free tickets by Backer Schorr, and the team will be at the banquet in full strength.

penny being taken out to stand the cost of basebail and other incidentals expenses.

The Stanecola team from Baton Rouge, La., is said to be somewhat stronger than the Memphis Polarines, who gave Memphis such a keen battle last Sunday at Russwood park. The Baton Rouge team was anxious to arrange a series of games with the Memphis Southern league team or the Dyeraburg club, but could not do so because of business demanding return of the players to Baton Rouge at the conclusion of Sunday's garge.

The Baton Rouge team has one victory to their credit this season at the expense of the Polarines at Baton Rouge some eight weeks ago in a narrow score win. Both clubs have strengthened somewhat since that time, particularly the Memphis Polarines. The Baton Rouge club will likely have two Pelican players as well as Larry Pezold, former Pelican and Cleveland American ball player, and other notables, and are freely predicting victory in both games Saturday and Sunday, thereby making a clean sweep.

Tickets are on sale for the contests at uptown stores and a good crowd is looked for in view of the worthy cause to which the receipts are donated.

Next Monday Night to At-

tract Big House. Kid Roux, of Memphis, and Young Joe Gans, of New Orleans, will meet at the Southern A. C. next Monday night in an eight-round bout for the negro lightweight championship of the world. Gans is at present wearer of the crown, while Roux is one of the leading contenders. Poux and Gans have met on several occasions, with honors having been about even thus far. On the occasion of their last meeting, Roux was forced to retire after receiving a large out over his eye, from which he bled profusely.

SHOULD BE FAST.

The bout should be one of the fastest of the entire year, for both Gans and Roux are headliners among their brigade, and have shown in days gone by that they are able to put up a whiriwind mill.

Roux has not shown in Memphis in some time, having been fighting in the East. He says he is confident of defeating Gans when they meet, and that he will give the New Orleans entry one of the fastest eight-round matches he has ever engaged in.

Promoter Billy Haack is lining up some excellent preliminaries to go along with the main go.

Next Monday's show will be one of the best of the year.
